

HAPPY NEW YEAR

Tuesday, January 3rd – Welcome Back!

There are no events planned for this week. We are currently working on the January Newsletter and Calendar and hope to have it delivered to your inboxes by tomorrow afternoon.

Important Parking Lot Reminder

We would like to remind those parents and guardians who use the parking lot in the morning to find a PARKING SPOT before letting your children out of your vehicle. Please DO NOT STOP in the middle of the parking lot and DO NOT PARALLEL PARK in front of the Big Snow Hill. We need to keep the lane clear to ensure that there is a steady flow of traffic which will also help keep the main roadway (56th St.) clear. The safety of the children and our parking lot staff is our #1 priority.
